## Web & WordPress Developer

 +92 3142979273

 contactwaqardp@gmail.com

 Model Colony, Gulberg 3, Lahore

### MY PROFILE

As a skilled Web Developer with over Three years of expertise in frontend and WordPress development, I specialize in creating dynamic, user-centric websites. Proficient in WordPress, Elementor, Elementor Addons, and Advanced Custom Fields (ACF), I excel at theme customization and building responsive, visually appealing web interfaces. With strong knowledge of HTML5, PHP, JavaScript, CSS, and MySQL, I deliver tailored solutions for diverse projects. My expertise spans the entire development lifecycle, ensuring high-quality, functional, and innovative web experiences for clients.
